Junior Tennis:

This program is designed for beginner to intermediate players from 5 to 17 years old and is designed to teach juniors the basics of the game and build a foundation to advance. (Must be at least 5 years of age to attend a program.)

Coaching Staff:

Our staff works together to help juniors enhance their game, develop strong technique and improve their fitness. Each pro is committed to motivating the juniors to reach their potential while having fun. The ultimate goal is to nurture the young player to move from the beginner level to the Competitive Team and eventually to the Advanced Tournament Training Academy.
