Our goal at Grey Rock Tennis Club is to give every child an opportunity to learn tennis in a fun environment conducive to developing a love for the game. We offer a variety of programs to address every level of play, from beginner to advanced tournament training.

Beginner Tennis:

This program is designed for beginner players from 5 to 16 years old and is designed to teach juniors the basics of the game and build a foundation to advance. (Must be at least 5 years of age to attend a program.)

Coaching Staff:

Our staff works together to help juniors enhance their game, develop strong technique and improve their fitness. Each pro is committed to motivating the juniors to reach their potential while having fun. The ultimate goal is to nurture the young player to move from the beginner level to the Competitive Team and eventually to the Advanced Tournament Training Academy.

Facility:

The Grey Rock Tennis Club features 8 state of the art Plexi-cushioned courts and full-lighted tennis courts for evening play in a natural, peaceful setting.
